

A Better Approach to Court Reporting

Court Reporters – Are You Ready to Join the Next Era of Litigation?

Are you tired of the around-the-clock schedules and out-of-pocket expenses found in traditional court reporting? For reporter well-being and output quality, a well-supported team is critical in the modern legal environment.

Calloquy's approach to court reporting is team-based, with manageable schedules to avoid burnout, pay structures suited for your specialized skill set, and more exclusive benefits you deserve!

The benefits you'll receive by joining our world-class team:

- Full-time, hybrid office/remote position with competitive salary, PTO, and 401k
- Career growth and continuing education
- Professional team environment with access to scopists and IT support
- Privacy-on-Demand units (PODs), advance access to assignments, your choice of CAT program, and capability to join depositions and arbitrations remotely via Calloquy's virtual litigation platform

Come join the team!

A photograph of a diverse group of people in an office setting, smiling and clapping, suggesting a celebratory or team-building event.
